SERVICE TO HUMANITY

At MZM (CEPZ) Limited, we believe that true success is measured not only by business growth but also by the impact we create in our community. Our Managing Director, driven by a deep sense of responsibility, has built and continues to support one of Bangladesh's most esteemed educational institutions in Cumilla. Established in 2005 by his late father, this institution now provides quality education to over 2,000 students, with nearly 900 studying entirely free of cost. With over 200 highly qualified teachers, many from the finest madrasas in Bangladesh, students receive not only top-tier education but also three daily meals and living accommodations. Recognized as the second-best educational institution in Cumilla based on annual results, this initiative empowers students from all backgrounds, ensuring that financial limitations do not hinder their dreams.

The institution operates through a combination of global donations and direct financial contributions from our Managing Director, whose unwavering dedication ensures its smooth operation. This initiative has transformed countless lives—creating jobs, uplifting communities, and enabling graduates, once without families, to build stable futures for themselves. Beyond education, the institution has stimulated economic growth by fostering small businesses in the surrounding areas, enriching the local community. If you wish to be part of this noble cause, we welcome your support through donations or visits to the establishment. Because one life changed is a hundred lives saved!
